NMRLC Williamsburg

Comprising the Naval Medical Readiness Logistics Enterprise

January/March 2025

Mission: Develop, acquire, produce, field, sustain, and provide enduring lifecycle support of medical materiel solutions to the Fleet, Fleet Marine Force, and Joint Forces in high-end competition, crisis, and combat.

Vision: To be the Joint Force's premier integrated medical logistics support activity.

The Reason for Our Success Is Our People

Sailors from NMRLC and NORA spent a morning at York River Academy, Yorktown, VA, as part of their Career Day last Friday, April 4. This allowed both middle and high school students to interact with the Sailors and have an up close glimpse at some of the equipment they use daily. This resulted in many meaningful interactions throughout the busy morning.

Participants are pictured from left to right: UT1 Glenn Jackson, HMC Liberty Clay, LSSA Christena A. Gayle Gonzalez, HM2 Emilio Matthew, YN1 Aliyah Jackson, LS2 Seth Horton, HM2 Zachary Hylton, CM1 Sean Kelly and YNC Christopher Poss.
